

7 Hounds Given All-Region Honors

Pope was able to clinch their second ever region title in the 2017 season, and in the process seven members were selected to the region 7-AAAAAA all-region team, which is selected by the head coaches from the region's 9 schools through a nomination and voting process.

Three members were selected to the 1st team, two to the 2nd team, and one honorable mention. Additionally, freshman Hallie Adams was honored with the highly esteemed "Pitcher of the Year" award, and Coach Turco was awarded the "Coach of the Year" award. Adams is only the 2nd pitcher in Pope history to earn this prestigious honor.

Senior Hannah Rogers was named all region for the fourth time of her career becoming the only Pope Fastpitch player to ever earn the award 4 times. Senior Lea McFadden was named all region for the third time, senior Leah Higginbotham and sophomore Zoe Laneaux for their second time, and junior Gracie Kittrell and freshman Hallie Adams both receive their first all-region nod.
