

Pope finishes regular season region record undefeated

For only the second time in school history Pope has finished the region regular season undefeated. This year Pope played 14 region games, a home and away game against every team in region 7-A-A-A-A-A-A, and posted a perfect 14-0 record. The only other time Pope has posted an undefeated region regular season was Pope’s state championship season of 2014 in which the Hounds posted a perfect 8-0 record in regular season region games.

The 2018 undefeated region campaign was marked with 5 no hitters and 10 shutouts over the course of the 14 games. The 2018 Hounds held a 164 run differential over opponents in region games scoring 169 runs while only surrendering 5 runs over the 14 game span.

The Hounds will host a best of 3 region championship series on Wednesday October 3rd at 5 and 7 pm with the “if” game occurring October 4th at 6 PM. The Hounds will face region rival Cambridge for the 3rd consecutive year in the region championship series. Cambridge swept the championship series in 2016 while Pope won the championship in 3 games in 2017.

By finishing as the #1 seed in the region, Pope has guaranteed itself a home playoff series in the 1st round of the state playoffs on October 10th / 11th. Pope will take on either the 3rd or 4th seed from region 6-A-A-A-A-A-A.
